

A Fisher House is a “home away from home” for military and Veterans’ families to be close to a loved one during hospitalization for an illness, disease or injury. Currently, 8,000 Iraq and Afghanistan war Veterans are traveling to the Milwaukee VA Medical Center and Spinal Cord Injury Center from over 22 states for treatment of their wounds and injuries. Veterans and their families living beyond 50-miles from the Milwaukee VA are eligible to stay for free at the Fisher House for as long as needed.

The Fisher House program recognizes the special sacrifices of our men and women in uniform and ensures that they are provided with the comforts of home in a supportive environment.
